## Comprehensive Dentistry for All Ages

At Comprehensive Dentistry we believe that you deserve the best care. That's why we always present you with the best dental solution possible to treat your personal situation. Each year we provide outstanding dental care to hundreds of patients. Some have dental benefits but some don't. If you have dental benefits, congratulations! You are very fortunate. Here are some important things you should know.....

Your dental benefits are based upon a contract made between your employer and an insurance company. If you have any questions regarding your dental benefits please contact your employer or insurance company directly. Dental benefits plans will never pay for the completion of your dental care. It is only meant to assist you.

We bill your insurance as a courtesy. If insurance does not pay within 90 days, Comprehensive Dentistry reserves the right to request payment in full for services from you and let you collect the insurance funds that are due to you. This is rare but it is important that you recognize that the insurance you have is a legal contract between YOU and your insurance company. Our office is not and cannot be a part of that legal contract. Ultimately, you are responsible for all charges incurred in our office.

Comprehensive Dentistry does require payment in full for your portion at the time of service. We accept MasterCard, Visa, American Express, Discover, cash and checks (for existing patients with established payment history). If you are in need of an extended finance option, we also work with Care Credit, who offers an eighteen month interest free payment plan approved upon patients credit history. Just ask one of the staff for an application.

Broken Appointments: A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment we require at least 24 hour notice to avoid a \$40 per hour cancellation fee.

After Hours/Weekend Emergencies: In the event of an emergency after regular business hours a \$55 emergency fee will be charged for established patients in addition to the necessary treatment fees. Patients who are not established in the practice will be charged \$125 after hours emergency fee.

Confirmation Policy: Our office does give confirmation calls. We must have **verbal confirmation** by 1:00 pm on the date prior to your appointment in order to hold your scheduled time. Failure to confirm with a member of our staff will result in appointment cancellation.

Initial Hygiene Appointment: For all new patients a Full Mouth Series of x-rays is taken to properly diagnose any current decay. After the initial FMS, bitewing x-rays are taken at your scheduled a year at your cleanings depending on the frequency limitations set by your insurance.

Fluoride Policy: For all patients under the age of 18 we apply topical fluoride **twice** a year at each cleaning for preventive purposes. If your insurance company only pays for one application per year you will be responsible for the fee upon denial.

We welcome you to our family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits here more pleasant, please don't hesitate to ask one of our staff members.
